

Become part of our international team. We have vacancies for

Freelance Translators German/English – Danish

Specialist fields: Engineering, Law, Marketing

Dedicated to serving clients for over 10 years from its base in Fellbach near Stuttgart, COMLOGOS is a modern and forward-looking company offering language services certified according to ISO 17100.

Are you a qualified native-speaker technical translator? Are you interested in a long-term working relationship with us?

If so, we look forward to receiving your application!

Requirements:

- You are a native speaker of Danish
- You have a recognized graduate qualification in translation or a graduate qualification in any other field plus two years' full-time professional experience in translating or five years' full-time professional experience in translating (requirements specified by ISO 17100)
- You are a proficient user of SDL Trados Studio (at least Version 2017) and SDL Multiterm
- You have a sound knowledge of the area of terminology compilation and maintenance
- Working with colleagues as part of a team, you will ideally create translations including revision according to ISO 17100

If you are interested in working with us, please send us the completed questionnaire for freelancers in PDF format along with your relevant degree certificates, references and your CV by e-mail to the address below:

freelancer@comlogos.com

Should you have any queries, you can contact us either by e-mail or by telephone at +49 711 342456-0.

After reviewing your application, we will send you a short test translation (not exceeding 400 words).

We look forward to a long-term partnership!
